Volvo Posts Twelve Months of Consecutive Double Digit Sales Growth

ROCKLEIGH, N.J. (July 1, 2016) - Volvo Car USA, LLC, (VCUSA) reported U.S. sales of 8,454 vehicles, a 41.3 percent increase versus June 2015 and marking the twelfth consecutive month the company posted double digit sales growth. Year-to-date sales are up 24.4 percent year-over-year.

Sales for the month of June were led by the award-winning XC90 luxury SUV with 2,596 vehicles sold. The XC60 crossover followed directly behind with 2,362 vehicles sold.

“Twelve months of consecutive double digit sales growth is a significant milestone for VCUSA,” said Lex Kerssemakers, President and CEO, Volvo Car USA. “Now, we look ahead to the next step in our transformation with the launch of the new S90 sedan.”

Volvo is implementing a sweeping $11 billion transformation plan that has involved the development of its own modular vehicle architecture, a new engine range, global manufacturing capability, a completely renewed product range and world leading developments in safety, autonomous driving and connectivity.
